Dear Pastor and Church Family,

Karen's right knee replacement was successful on the 6th of June and she's doing so much better than last time. Only a couple hours after surgery she stood up on the new knee and took her first step and said, "That's weird!" Immediately I asked, "In what way!" First time in years she had two stable knees and noticed immediately. Home the same day and we estimate her recovery is at least 6 weeks ahead of last time. We thank so many of you who have prayed for this surgery. We're both excited about discarding the crutches.

It's been a really busy couple of months. IBC bought a house to serve as a parsonage for Pastor Gary and his family pictured to the right. He just moved his family this week. It's a three bedroom with a office and a separate two bedroom flat in back. Bro. Ciano our other full time assistant will be moving in the back on the 1st of July. The Lord has certainly poured out His blessings in this transition.

We celebrated our 7th Anniversary on the 2nd of June. It was a tremendous day with a good attendance and of course dinner on the grounds. I charged the church with what the Lord's done over the last seven years and to keep focused on the Lord's continued blessings by obedience. Pastor Gary charged them as a vision for the future.
